

5th & 6th Grade Ministries

Centered on Christ

2017-2018 information

Programs:

At Church of the Lakes all of our youth programs are Christ Centered. We work to create an atmosphere where 5th and 6th graders can learn about their faith while having a wonderful time. There are a variety of options and staff to allow for everyone to find something to meet their interests.

Sunday School:

9:30: The class works through lessons of the Bible over a two year cycle. In addition, they use hands-on activities to learn about the Bible. The class also works on small mission projects for homebound people and other groups.

11:00: The class works through various Bible lessons in a discussion format.

BLAST (Believe Learn and Seek Truth):

September 20th – December 13th and January 10th – April 25th (skipping March 28th for Spring Break)
5th and 6th graders are invited to join a special program just for them. This group meets on Wednesday nights, 5:30 - 7:00 pm. The 5th and 6th graders eat dinner together as a group with an adult. The group then goes to a special Bible Study which includes Bible lessons, activities, and games.

Regular Gatherings:

Join us every couple of months as we meet and find out that God is part of our life, no matter what we are doing! Friends are always welcome, watch for more information closer to each event.
