About

The Hungry Heart
Isaiah 55:1-2
God is in the business of healing broken hearts. In biblical language, the heart is the center of spiritual activity and all of the operations of human life. We will look at the difference between hardened hearts (hearts of stone) and hungry hearts (hearts of flesh).

The Hearing Heart
Jeremiah 24:7
Have you ever wondered if God still has plans for you? He does! God still speaks to His people today. We will explore ways to silence our hearts and minds to listen more closely. When we do, we find the confidence to walk in His ways and pass on a godly legacy.

The Hopeful Heart
Psalm 31:24
Do you feel lost? Think God doesn’t care or want to guide you? The pathway of hope sometimes leads us in unexpected directions. We will learn to find joy and peace in the journey and trust God to pump hope into our hearts by His Word and His Spirit.
